Mathematical modelling of prostate cancer growth and its application to hormone therapy

By Gouhei Tanaka, Yoshito Hirata, S. Larry Goldenberg, Nicholas Bruchovsky and Kazuyuki Aihara

In the third paragraph of p. 5040, there are two typographical errors, which should be corrected as follows:

1. In lines 2, 4 and 5 ‘\(w_{3,3}^1\)’ should be ‘\(w_{3,3}^0\)’.
2. In lines 2 and 3 ‘on-treatment’ and ‘treatment’ should be ‘off-treatment’.
